

Listen, read and answer.

Dear Jack,

How are you? I'm fine. I am writing to you in English. It's good for me to practice!

I am studying English in an academy. This is my first year. In my class there

are 15 people. They are all from different countries: France, Spain, Germany and Italy.

My teacher is English, her name is Sandra Smith. I think she is from London, but I'm not sure. She is tall, has got blue eyes and blonde hair. She is a good teacher.

I live in a small house in the north of London. My house has three bedrooms, a kitchen, a living room, a dining room, a bathroom and a small garden. The garden is beautiful. It has lots of small trees and a little pond.

I am living with two other girls. They are French. Jean is twenty-five years old and Ludvine is twenty-seven years old. They are very friendly but they speak French a lot.

During the week I get up every day at 07:00 and I catch the train to London. The journey takes 45 minutes. My classes start at 09:00. I have 5 hours of English a day. I usually arrive home at 18:00. When I get home, I do my homework, prepare my dinner and watch television. English television is very good. I normally go to bed at 23:00.

At the weekends I go to London. London is very big and beautiful, but very expensive.

Write to me soon.

Boris.

Answer Yes or No to the following sentences.
