Imagine you've been deaf <sup>1</sup> since you were born. <sup>2</sup> \_\_\_\_\_ your whole life, you've never been able to hear everyday sounds around you. Luckily, there are some extremely clever gadgets to help. <sup>3</sup> \_\_\_\_\_ years, designers have worked on products for the deaf, and one of them is the Aria smart bracelet, a gadget that uses lights and small movements to tell its wearer if the phone is ringing, if someone is at the door, or if there is an emergency. May Wilson, the bracelet designer, has specialised in industrial design <sup>4</sup> \_\_\_\_\_ she was a student at university. <sup>5</sup> \_\_\_\_\_ 2009, she has invented numerous products, but perhaps the Aria bracelet is the most important. It is not only beautiful and clever, it can also save lives!
