3. How do you feel about the Internet as a medium? How reliable is it? Would you recommend it as a reliable and valid source of information? Why? Why not?
4. How does the Internet contribute to learning? Is it effective?
5. Use your notes to prepare a PowerPoint presentation or a poster. Work in groups or pairs.
6. Present in class.

When you prepare a PowerPoint presentation, remember to:

- focus on your audience: think about what they would like to hear or find out about
- focus on your content: be selective, use visuals and/or examples
- focus on your slides: plan what you are going to include on each slide (up to 5 points)
