

**Instructions:** Read a description with your partner. Then, write the correct personality adjective from the Word Bank. Use the useful language.

**Useful language:** *A person who ... is ... What do you think?*

**Example:**

**Student 1** *A person who is happy and positive is warm. What do you think?*

**Student 2** *Actually, I think the answer is cheerful.*

**Student 1** *Yes, you're right.*

|                             |                        |
