Hi!

Hey Sergio,

It's been a while!

Things are going well here in nursing school. Spring registration is next week, so \_\_\_\_\_ register for classes on Monday. I'm not sure, but \_\_\_\_\_ take a course in human anatomy. I want to get an associate degree in nursing.

I need money to pay for my classes, so \_\_\_\_\_ definitely apply for financial aid next week also. If I don't get it, \_\_\_\_\_ try to get a second job. Or \_\_\_\_\_ ask my boss at the store if I can work extra hours.

Well, how are you doing? I know you want to get a certificate in electrical work. When do you think you \_\_\_\_\_ take classes?

Your friend,  
Victor
