NAME

RED by Taylor Swift

Complete the lyrics and then sing your lungs out

_____ him is like
_____ a new Maserati down a dead-end street
Faster than the wind
Passionate as sin
_____ so suddenly
_____ him is like
_____ to change your mind once you're already _____ through the free fall
Like the colors in autumn, so bright
Just before they lose it all
_____ him was blue like I'd never known
_____ him was dark grey, all alone
_____ him was like trying to know somebody you never met
But _____ him was red
Loving him was red
_____ him was like
_____ all you ever wanted was right there in front of you
_____ him was as
Easy as _____ all the words to your old favorite song
_____ with him was like
_____ to solve a crossword and
_____ there's no right answer
_____ him was like
_____ you never found out
that love could be that strong
_____ him was blue like I'd never known
_____ him was dark grey, all alone
_____ him was like _____ to know somebody you never met
But _____ him was red
_____ red
_____ him comes in flashbacks
And echoes
Tell myself it's time now
Gotta let go
But _____ on from him is impossible
When I still see it all in my head
In burning red
_____ it was red
Oh, _____ him was blue like
I'd never known
_____ him was dark grey, all alone
_____ him was like trying to know somebody you never met
'Cause _____ him was red
Yeah, yeah, red
Oh, burning red
And that's why he's _____'round in my head
Comes back to me, burning red
Yeah, yeah
His love was like
_____ a new Maserati down a dead-end street
