

Struggle vs. Trust

1. Now that you are on your journey here in sixth grade, you may have encountered various experiences. Times when you excelled and times where you struggled.
2. In our last exercise you recorded words to describe those struggling moments.
3. In this assignment, you are to write each of the three words that your wrote from the Padlet list, down below in the struggle column.
4. Then in the Trust column record the scripture you found to counteract the struggling feeling.
5. Finally, choose one of those scriptures as your go to scripture to quote, whenever you may find yourself struggling.

From defeat to victory one step at a time.
