6-Ali wants to visit his grandma on Saturday afternoon.

**10)-** Read the text about Ruby and Rachel and answer the questions.

### **AM I RUBY OR RACHEL?**

Ruby Taylor and Rachel Storr are very unusual. They are identical twins, but they have got different parents. The twins are from China, but they are adopted. They both live in Scotland, Ruby near Aberdeen, and Rachel in Edinburgh, 150 km away. In her Scottish family Rachel has got two brothers, but Ruby is an only child. She hasn't got any brothers or sisters. Ruby often visits Rachel, and their parents are now friends.

Both girls have got two "families": their parents, an "aunt" and an "uncle" (the other twin's parents) and eight grandparents!

Rachel and Ruby have got long, dark hair and brown eyes. They aren't just identical, they are mirror-image twins. Rachel writes with her right hand and Ruby writes with her left hand, for example. Their favourite hobby is art and they both love clothes. Ruby wears Rachel's clothes and Rachel wears Ruby's clothes, and they play a game with their grandparents called "Am I Ruby or am I Rachel?" Their grandparents haven't got any idea!

1-Where are they from?

2- Where do they live?

3- What's their favourite hobby?

4- Has Rachel got any brothers?

5- Do the girls have short hair?
