

**PAS BASED EXERCISE**

Read the following passage and answer the questions:

Some animals, if trained properly and given the love they deserve, can prove more useful and faithful than human beings. This fact has been proved by Scientific research. However, in India the picture is shocking. Even in big cities like Delhi we can see a number of animals such as cows, pigs, buffaloes, horses, dogs, cats and bulls roaming about freely in search of food and shelter. These stray animals when they get old and abandoned by their owners. They are left at the mercy of nature. Causing Serious accidents on many occasions. In fact, these animals and birds are living beings like ourselves. We should cultivate love and a feeling of compassion for these animals and birds. At no cost should they be considered inferior.
