A. _____

B. _____

C. _____

D. _____

E. _____

F. _____

G. _____

Hi! I'm Ben. I live in Pitch Village. This is my street. It's very beautiful. My street has got a school. It's the biggest house in the picture.

Our science teacher Mr. Jones lives in a small house **behind the school**. His house is gray, with a brown triangular roof.

Mrs. Adams is our English teacher. Her house is **next to Mr. Jones's house**. His house is really nice, with a small round window and a triangular roof.

Our street also has a cinema. It's **on the left of the school**. I go to the cinema on Sundays with my mum and dad.

The cafe is **behind the cinema**. I really like to eat my favourite strawberry ice-cream there.

My house is **next to the cafe**. Can you see it? It has a triangular roof, a rectangular window and a round window as well.

My friend Polly lives in our street too. Her house is **in front of my house**. We see each other every day. I love my street.
