

Somebody that I used to know (Gotye)

👉 Listen to the song and complete with the correct PAST TENSE.

Now and then I think of when (be) together
Like when you (say) you (feel) so happy you could die
..... (tell) myself that you (be) right for me
But (feel) so lonely in your company
But that (be) love and it's an ache I still remember
You can get addicted to a certain kind of sadness
Like resignation to the end, always the end
So when we (find) that we could not make sense
Well you (say) that we would still be friends
But I'll admit that I was glad it (be) over

But you (not have) to cut me off
Make out like it never (happen) and that we
..... (be) nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

No, you (not have) to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I (know)
Now you're just somebody that I (know)
Now you're just somebody that I (know)

Now and then I think of all the times you (screw) me over
But had me believing it was always something that I (do)
But I don't wanna live that way
Reading into every word you say
You (say) that you could let it go
And I wouldn't catch you hung up on somebody that you (know)
