

Somebody that I used to know (Gotye)

→ Listen to the song and complete with the correct PAST TENSE.

Now and then I think of when (be) together

Like when you (say) you (feel) so happy you could die
..... (tell) myself that you (be) right for me

But (feel) so lonely in your company

But that (be) love and it's an ache I still remember

You can get addicted to a certain kind of sadness

Like resignation to the end, always the end

So when we (find) that we could not make sense

Well you (say) that we would still be friends

But I'll admit that I was glad it (be) over

But you (not have) to cut me off
Make out like it never (happen) and that we
..... (be) nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

No, you (not have) to stoop so low

Have your friends collect your records and then change your number

I guess that I don't need that though

Now you're just somebody that I (know)

Now you're just somebody that I (know)

Now you're just somebody that I (know)

Now and then I think of all the times you (screw) me over

But had me believing it was always something that I (do)

But I don't wanna live that way

Reading into every word you say

You (say) that you could let it go

And I wouldn't catch you hung up on somebody that you (know)
