Listen to the song and fill in the gaps:

I'm in the sky _____
There I can keep by your side
Watching the wide
_____ riot
And hiding out
I'll be coming home next year
Into the _____ we climb
Climbing our wings will burn

Everyone strapped in tight
We'll ride it out
I'll be coming home next year
Come on, get on, get on
Take it till _____ runs out
No one can find us now
Living with our _____
underground
Into the _____ we shine
_____ the way we glide
by
Catch me if I get too

When I come down
I'll be coming home next year
I'm in the _____ tonight
There I can keep by your side
_____ the whole world
wind

Around and round
I'll be coming home next year
Come on, get on, get on
Take it till I _____
down
No one can find us now
Living with our heads

I'll be coming home next year
I'll be coming home next year
Everything's all _____
up here
And if I come _____
I'll be coming home next year

Say goodbye
Say goodbye
Say goodbye
Say goodbye

I'll be coming home next year
I'll be coming home next year
Everything's all right up here
And if I come down
I'll be coming home next year
I'll be coming home next year
I'll be coming home next year
