

Title: _____

Written in these walls are the stories that I can't explain

I **leave** | **live** my heart open but it **stay** | **stays** right here empty for days

She told me in the morning

She **doesn't feel** | **don't feel** the same about us in her bones

It **seems** | **scenes** to me that when I die

These words will be written on my stone

And I'll be gone, gone tonight

The ground beneath my feet is open **white** | **wide**

The way that I been holdin' on too tight

With nothing in between

The story of my life, I **took** | **take** her home

I **drive** | **ride** all night to keep her warm and time

Is frozen (the story of, the story of, the story of)

The story of my life, I **gave** | **give** her hope

I **spend** | **spent** her love until she's broke inside

The story of my life (the story of, the story of)

Written on these walls are

The colors that I can't **chance** | **change**

Leave my heart open

But it **stay** | **stays** right here in its cage

I know that in the morning now

I see us in the **light** | **night** upon a hill

Although I am broken, my heart is untamed, still

And I'll be gone, gone tonight

The fire beneath my feet is burning bright

The way that I've been holdin' on so tight

With nothing in between

(Chorus)
