	<i>Voting time. Period to speak. To convince. To defend yourself. Who is the impostor ??</i>
	<i>This is the waiting room while all players get ready before starting the game.</i>
	<i>You can use the CCTV in the computer room, to check what's happening around. But be careful.. you can get killed here..</i>
	<i>You were killed or voted away.. you become a ghost. You can move around. Nobody will see you. As a Ghost Crewmember you can still help finish the tasks.</i>
	<i>The impostor can cut their way going through sewers / vents</i>
	<i>Sabotage has taken place by impostors. Doors being locked down for seconds..Lights turned off..</i>
	<i>You can have a pet / mini me that will follow you during the game.</i>
	<i>This is one of the tasks that a crewmember has to perform.</i>
	<i>This is the starting point: the cafeteria.</i>
	<i>When the crewmembers win , it is called VICTORY.</i>
	<i>When the impostors win , it is called DEFEAT.</i>
	<i>When you see a dead body, you must report it and call for an emergency meeting.</i>
	<i>The spaceship is full of rooms and hallways that connect one another. Start exploring.</i>
	<i>Before starting , you must create your avatar, give it a name, choose the colour.</i>
	<i>A funny horrible bloody moment.. when somebody kills you...</i>
	<i>As soon as you download the game.. this is the presentation.</i>
	<i>When the game starts , you are given the role: CREWMATE or IMPOSTOR.</i>
	<i>This is a picture of the map called SKELD. It helps you identify where the tasks are situated.</i>
	<i>Silence please. The game is about to start. I recommend u to silence your phone.</i>
