It's not worth my mind

it's not worth my soul

Turn your face towards the sun
Let the shadows fall behind you

Where you gonna run walk

You've seen me lose control

Don't look back, just carry on
And the shadows will never find you

you gonna go? Where you gonna go?

when you get to the edge of the night?
It's time you face the

from home

far

It's not worth my soul

And the shadows will never find you

Turn your face towards the sun

Don't look back, just carry on

Let the shadows fall behind you

Like the kings and queens
I still swear that we can reign
