

## On the Pulse 2 -TEST Unit 4

### 1 Read the text and order the sentences 1–6.

- a But birds are not safe. Some snakes inhabit the forests and climb trees to hunt them. ☐
- b You can also see waterbucks – big antelopes – in the park. Rangers have to protect them from lions, cheetahs and leopards. These animals hunt waterbucks for their meat. ☐
- c Apart from flamingos, there are a lot of bird species living near the lake. They eat fish. ☐
- d Lake Nakuru National Park is in Kenya, a few miles away from the city of Nakuru. It is famous because there are a lot of flamingos on its shores. They get there by thousands to eat the algae that grow in the lake. The park is a reserve because they protect endangered species in the area. ☒
- e You can also see giraffes and rhinos in the park. It has got around 70 white rhinos and more than 25 black rhinos. There are fences around the park to protect these species from poachers. Poachers want to hunt rhinos to get their tusks. ☐
- f Hard work for rangers! ☐
