

ENGLISH ASSIGNMENT – VOCABULARY

Hi students,

Vamos relembrar algumas variações de vocabulário que tem que se estar atento quando se está começando a ler um novo idioma, no nosso caso em inglês?

- **Palavra cognata ou amiga:** é uma palavra que se parece na grafia (escrita) com português: family (família), visit (visitar), sofa (sofá) entre outras. Mas cuidado que algumas poucas palavras são **false friends** (falso amigos), ou seja, ela se parece com português mas possui um significado diferente: parentes (pais), terrific (maravilhoso) etc.
- **Palavra polissêmica:** é uma palavra que reúne vários significados: *cool* pode ser legal (*she is cool*) ou gelado (*ice is cool*).

LET'S PRACTICE!

The city's library

Did you know that every city has its own public library and it was very popular? Yes, it was! People who loved reading books went to the library very often. At the library, they found all types of books: adventure, drama, comic, literature, fairy tale, detective, fictional, non-fictional, biography, mystery, mythology and even a comic book (also known as graphic novels). Nowadays people watch more tv than read books. Next time you want to entertain yourself, remember to visit your city's library.
