Jason Mraz

93 million miles from the sun

'Cause here it comes it's a light

Over the horizon in to your eyes
Oh, my, my
How beautiful
Oh my beautiful _____
She told me
_____ in life you're gonna go far
If you do it right
You'll _____ where you are
Just know that wherever you _____
You can _____ come home
_____ thousand miles from the moon
You've come a long way to belong here
To share this view of the _____
A glorious night
Over the horizon is another bright sky
Oh, my, my
How _____
Oh my irrefutable _____
He told me
Son _____ it may seem dark
But the absence of the light is a necessary part
Just know, that you're _____ alone
You can _____ come back home
Oh oh oh
Oh oh oh
You can _____ come back back
Every road is a slippery slope
There is _____ a hand that you can hold on to
Looking deeper through the telescope
You can see that your _____ is inside of you
Just know, that wherever you go
No you're _____ alone
You will _____ get back home
Oh oh oh
Oh oh oh

Oh oh oh
Oh oh oh
Oh oh
93 million miles from the sun
_____ get ready, get ready
'Cause here it comes it's a light
A beautiful light
Over the horizon in to our eyes
