MILFORD NEWS / Sunday 1 April

Dave Stone A YOUNG HERO

Fourteen-year-old Dave Stone is not only the swimming champion of Milford, but also a local hero. Why? He saved his best friend's life.

What happened three days ago?
Well, Jeremy and I went fishing on Milford Lake in the afternoon. Jeremy had a new underwater camera and wanted to take pictures. He saw a big fish so he put the camera in the water. Then the boat suddenly capsized!

Did you jump in the water?
No, we didn't really jump. We both fell in. I was very worried about Jeremy because he can't swim.

Really? And what did you do?
I grabbed him and swam to a small island in the middle of the lake. Luckily, we were near the island.

Did you stay there overnight?
Yes, we did. Our cell phones were wet so there was no way to call our parents. It was dark, scary, cold and we were hungry. Jeremy slept for 2-3 hours, but I didn't sleep at all.

How did you return home?
The next morning a fisherman found us and took us home. We were very lucky.
