

Somebody That I Used To Know - Gotye

[Verse 1: Gotye]

Now and then I think of when we were together
Like when you said you felt so 1. _____ you could
2. _____

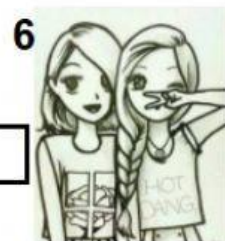

Told myself that you were 3. _____ for me
But felt so lonely in your company
But that was 4. _____ and it's an ache I still remember
You can get addicted to a certain kind of 5. _____
Like resignation to the end, always the end
So when we found that we could not make sense
Well, you said that we would still be 6. _____
But I'll admit that I was glad it was over

[Chorus: Gotye]

But you didn't have to cut me off
Make out like it never happened and that we were
And I don't even need your love
But you treat me like a stranger and that feels so rough
No, you didn't have to stoop so low
Have your friends collect your records and then change your 7. _____
I guess that I don't need that though
Now you're just that I used to know x3

[Verse 2: Kimbra]

Now and then I think of all the 8. _____ you screwed me
over

But had me believing it was always that I'd done
But I don't wanna live that way. 9. _____ into every word you say
You said that you could let it go
And I wouldn't catch you hung up on that 10. _____ used to know

[Chorus: Gotye]

[Outro: Gotye]

Somebody (I used to know)
Somebody (Now you're just somebody that I used to know)
Somebody (I used to know)
Somebody (Now you're just somebody that I used to know)
(I used to know) (That I used to know) (I used to know)
Somebody
