## The best DVD ever

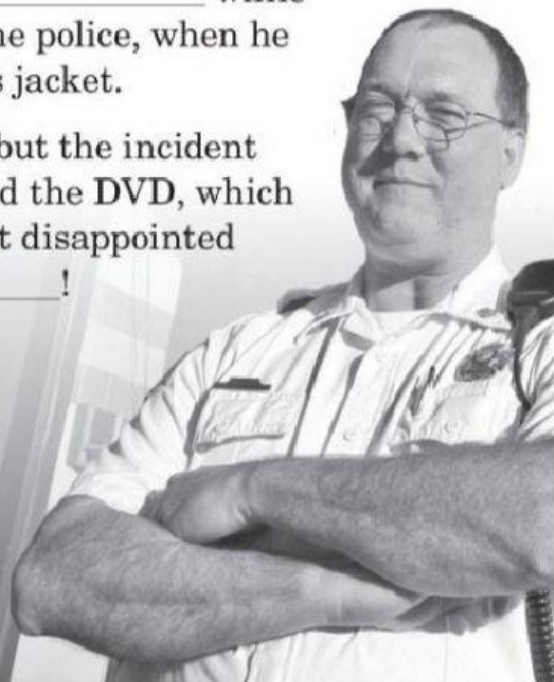

Barry McRoy likes movies, but he never thought that a DVD <sup>1</sup> \_\_\_\_\_ would save his life.

Fire and Rescue Director Barry McRoy was walking out of a restaurant one day when two men ran past him. They were fighting over a gun <sup>2</sup> \_\_\_\_\_. One of them shot it and the bullet hit Barry in the chest. Luckily, he was carrying a DVD in his shirt pocket.

Barry wasn't hurt, but the incident completely destroyed the DVD, which left him feeling a bit disappointed
