

Present simple

He lives in Paris
She studies Russian
I read every night before bed
We play football every Tuesday

and

present continuous

I am living with my friend at the moment
He is studying in his room at the moment
We are reading this worksheet
Michael is playing football right now

Remember!!! The **S** for third person singular when using the present simple!!!

Complete the rules:

- We use the present simple to talk about, things that we do and things that are
- We use the present continuous to talk about
- To talk about something that is temporary we use

things that are happening **now**

always true

routines

regularly

the present continuous

Choose the correct words to complete the blog:

Hi, my name is Sam and I in Spain. I
..... this letter from my grandparents' house. My mum
and dad are doctors and they a lot, so at the
moment I here with my grandparents.
Every day after school, my grandma a delicious
dinner. In fact, she right now! After dinner we
usually TV for a while and then I
..... my homework. The only bad thing is that my
grandparents quite far from my school, so every
day I the bus and then I
for about 20 minutes. But I don't really mind.
On Tuesdays after school I my friends in the town
centre and we to play football in the park.
I have to go now. It's dinner time and my grandma
me.
