What's up? I'm Phil. I live in Orlando, Florida.
I'm from the USA. My family is North American, too.
There are many fun things to do in my city. There are huge shopping malls with lots of stores. There are beautiful parks and interesting museums, too. Disney World is here, in Orlando. Every year boys and girls from different countries come to this amusement park. We also have incredible cinemas and theaters. My school is near my house. Santiano's. Actors and singers have dinner there.
I love my city!
