EJEMPLO

456

Diagram for approximating 456 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (5 and 6) and one box for the hundreds digit (4).

673

Diagram for approximating 673 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (7 and 3) and one box for the hundreds digit (6).

234

Diagram for approximating 234 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (3 and 4) and one box for the hundreds digit (2).

764

Diagram for approximating 764 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (6 and 4) and one box for the hundreds digit (7).

987

Diagram for approximating 987 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (8 and 7) and one box for the hundreds digit (9).

364

Diagram for approximating 364 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (6 and 4) and one box for the hundreds digit (3).

872

Diagram for approximating 872 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (7 and 2) and one box for the hundreds digit (8).

267

Diagram for approximating 267 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (6 and 7) and one box for the hundreds digit (2).

123

Diagram for approximating 123 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (2 and 3) and one box for the hundreds digit (1).

645

Diagram for approximating 645 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (4 and 5) and one box for the hundreds digit (6).

324

Diagram for approximating 324 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (2 and 4) and one box for the hundreds digit (3).

333

Diagram for approximating 333 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (3 and 3) and one box for the hundreds digit (3).

784

Diagram for approximating 784 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (8 and 4) and one box for the hundreds digit (7).

656

Diagram for approximating 656 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (5 and 6) and one box for the hundreds digit (6).

987

Diagram for approximating 987 to the nearest hundred. It shows a tree structure with two boxes for the tens and ones digits (8 and 7) and one box for the hundreds digit (9).
