

# Perfect - Ed Sheeran

I **find / found** a love for me  
Darling, just dive right in  
And follow my lead  
Well, I found a girl, beautiful and sweet  
I never **know / knew** you **are / were** the someone waiting for me  
'Cause we were just kids when we **fall / fell** in love  
Not knowing what it **is / was**  
I will not give you up this time  
Darling, just kiss me slow, your heart is all I own  
And in your eyes, you're holding mine  
Baby, I'm **dance / dancing** in the dark with you between my arms  
Barefoot on the grass, we're listenin' to our favorite song  
When you **say / said** you looked a mess, I whispered underneath  
my breath  
But you heard it, darling, you look perfect tonight  
Well, I **find / found** a woman, stronger than anyone I know  
She shares my dreams, I hope that someday I'll share her home

I found a love, to carry more than just my secrets  
To carry love, to carry children of our own  
We are still kids, but we're so in love  
Fightin' against all odds I know we'll be alright this time  
Darling, just hold my hand  
Be my girl, I'll be your man  
I see my future in your eyes  
Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, listenin' to our favorite song  
When I **see / saw** you in that dress, looking so beautiful  
I don't deserve this, darling, you look perfect tonight  
Oh, no, no  
Mm  
Baby, I'm dancing in the dark, with you between my arms  
Barefoot on the grass, we're listenin' to our favorite song  
I have faith in what I see  
Now I know I have **meet / met** an angel in person  
And she looks perfect  
No, I don't deserve this  
You look perfect tonight
