The Ice Cream Disaster

My day started out great! I woke up to the sound of the birds. I knew my Grandma was making bacon for breakfast. I love bacon!

What did Grandma make for breakfast?

We went to the beach near my Grandma's house. Grandma promised that I could get some ice cream from the Snack Bar. I built four sandcastles and swam in the water with my friend Todd.

Who was the boy's friend?

Then, Grandma gave me the money and I bought an ice cream cone at the Snack Bar.

Where did the boy buy the ice cream cone?

Finally, the ice cream melted because it was hot. I was really sad but I had a nice day at the beach with my friend Todd.

Why was the boy sad at the end of the story?

Write "True" or "False". If it's False write the correct answer.
