Title: _____

I'm not surprised, not everything lasts
I've _____ my heart so many times I've _____ keeping track
Talk myself in, I talk myself out
I get all _____ then I let myself down

I've _____ so very hard not to lose it
I've _____ with a million excuses
I thought, I thought of every possibility

And I know some day that it'll all _____
You'll make me work so we can work to _____
And I promise you kid that I'll give so much more than I get
I just _____ yet

Hmm... hmm

I _____ have to wait, I'll never _____
I guess it's half timing and the other half's luck
Wherever you are, whenever it's right
You'll _____ of nowhere and into my life

And I know that we can be so amazing
And baby your love is gonna change me
And now I can see every possibility

Somehow I know that it'll all _____
You'll make me work so we can work to _____
And promise you kid I'll give so much more than I get
I just _____ yet

They say all's fair in love and war
But I won't need to fight it
We'll get it right and we'll be united

1. What style of music do you think it is?

2. What does the phrasal verb ''keeping track'' refer to?

3. For whom is the singer singing this song?
