

Sequence of Events

Story: _____ Date: _____

Directions: Use the below flow chart to keep track of the events in the story.

```
graph TD; A[ ] --> B[ ]; B --> C[ ]
```

The flow chart consists of three empty, rounded rectangular boxes arranged vertically. A downward-pointing arrow connects the bottom of the first box to the top of the second box. Another downward-pointing arrow connects the bottom of the second box to the top of the third box.
