

TECHNOLOGY - ACTIVITY 13

“HOUSES”

BUILDING A HOUSE

- LET´S TALK ABOUT THE PEOPLE WHO WORK BUILDING HOUSES

WATCH THIS VIDEO: <https://youtu.be/oKrhhpdq33o>

What do they do? Match.

- | | |
|--------------------|--|
| 1. MASON / BUILDER | a. Paints the walls of the house. |
| 2. ELECTRICIAN | b. Draws a plan of the house. |
| 3. CARPENTER | c. Fits the wooden parts of the house. |
| 4. ARCHITECT | d. Is in charge of building the house. |
| 5. PLUMBER | e. Connects up the taps and pipes. |
| 6. ENGINEER | f. Builds the walls. |
| 7. PAINTER | g. Puts in wiring. |

- Building a house is not an easy task. Workers use many **TOOLS** and they need **SIMPLE MACHINES** to do their work.

You´ve learned about TOOLS but ... What are SIMPLE MACHINES?

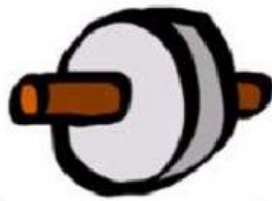

- Let´s watch this video to learn about them.

www.youtube.com/watch?v=ByLXZCP4ixc&t=299s

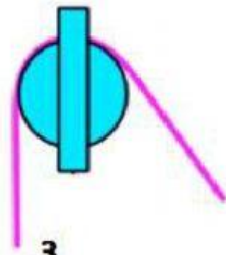

- a) While watching write the names of these SIMPLE MACHINES.
