

The Anniversary Party.

I. Read and answer the questions.

*The anniversary is on 10th July, not 10th June -
Because of his parents' anniversary – They are going to go out*

The Anniversary Party

Sam knows his parents' wedding anniversary is the 10th. He's planning a big celebration for their anniversary on 10th June. They're going to go out for a special dinner. Sam is making a cake. His parents like the plans but there's a problem. Their anniversary is on 10th July, not 10th June!

1. Why is Sam planning a celebration? _____
2. Where are they going to? _____
3. What's the problem? _____
