Rewrite the last part of the song using different words but keeping the meaning.

I'm not a perfect person
I never meant to do those things to you
And so I have to say before I go
That I just want you to know

I've found a reason for me
To change who I used to be
A reason to start over new
And the reason is you

I've found a reason to show
A side of me you didn't know
A reason for all that I do
And the reason is you
