rucksack whistle map ~~adventure~~
sailed fire blanket torch

The mountain is an ¹ adventure story. Lucy, Ben and their parents went on holiday. They ² sailed to an island. They climbed a mountain, but then their dad got sick.

Mum had a ³ blanket in her ⁴ rucksack for Dad. Ben made an emergency signal with the ⁵ whistle and the ⁶ torch. Mountain Rescue had to rescue them.

My favourite part was when Mum made a ⁷ fire with her glasses. Did you like it, Alfie?

Yes, I did. I've always got a ⁸ map in my rucksack when we go hiking.
