

## CHALLENGE – On the right, on the left and next to

Read the text and complete the map.

This is a map of my floor at school. There are 3 classrooms, a lab, a bathroom, a library, an art room, and the teachers' room. The bathroom is next to the teachers' room. The art room is on the left, next to the lab. The library is on the right, next to Classroom 3. Classroom 1 is next to the bathroom, and Classroom 2 is on the left, next to the lab.
