Activity 2: Read the text and answer TRUE (T), FALSE (F) or DOESN'T SAY (DS)

It was a cold and dark morning when I started my day today. It was only five o'clock. I don't usually get up this early, but today is a special day: I'm going to buy a new phone, so I'm really excited.

I live with my parents in a small but comfortable house in the town, with a small garden and a treehouse. My father works in a factory and my mother in a shop. They don't have very much money, but we are all very happy.

Yesterday was a bad day for me. I dropped my new phone and now it's broken. But yesterday evening everything changed. My mum answered the phone at about seven o'clock. Usually she smiles when she answers the phone, but yesterday she looked very worried. 'Who was it?' I asked. She looked at me, smiled and then she laughed and

laughed and danced around the room. And then she said, 'A magazine wants to use your photo of Stonehenge. They are paying you £250 for it!'

Fantastic! Now I can buy a new phone!
