

# DESCENDING OR DECREASING NUMBERS

1. ORDER THE GIVEN NUMBERS IN DESCENDING ORDER

The illustration shows six colorful helicopters arranged in two rows. The top row has three helicopters with numbers 10, 5, and 8 on their sides. The bottom row has three helicopters without numbers. Below the helicopters is a row of six yellow boxes containing the numbers 9, 4, 7, 8, 6, and 3, intended for the student to order in descending order.

10	5	8			
9	4	7	8	6	3

2. ARRANGE THE FOLLOWING NUMBERS IN DESCENDING ORDER
