I'm vanessa. I'm 16 and I 'm from Canada. I live in Quebec. The weather here is often very bad and cold in winter with lots of snowfalls. I like winter weather and winter sports. I like skiing and snowboarding, so I like living here! I'm very good at skiing and I'm at the local snowboarding team, too.

My dad works at the Ice Hotel. It's a wonderful hotel made of snow and ice. It's only five minutes away from my city. It's the first ice hotel in North America and it is open only in winter from January to April. Everything in the hotel is made of ice: the walls, the beds, the tables and the shelves. It is very strange, so people from all over the world come here to sleep in one of the 51 rooms. In the hotel, guests sleep in sleeping bags. Staying at the Ice Hotel is really expensive. A room for a night costs \$300. The Ice Hotel is also open to visitors from 10 am to midnight.

My dad works in the big hall of the hotel. He helps the visitors and answers the phone. Every morning, he gets up at half past six. He has his breakfast and he drives to the hotel. He has lunch at the hotel. He usually comes home at eight o'clock in the evening. He never sleeps at the hotel but he sometimes works there at the weekend.
