

Health problem and it's reason - practice

Match

What happened?

He broke his leg
He got really bad sunburn
He's got a concussion
I've thrown up twice.
She fainted
I'll get an itchy rash
She gets hay fever
She twisted her ankle
He burnt his hand
You'll have a heart attack
We all got terrible diarrhoea
He had a black eye and bruises
He nearly drowned

How did it happen?

if I eat nuts.
if you don't stop worrying.
after seeing the car crash.
I must have eaten something.
every spring.
after eating some old sandwiches.
in a skiing accident.
while swimming in the stormy sea.
playing volleyball.
when he fell asleep on the beach.
having a barbecue.
after being hit in his head.
because he got into a fight.
