

# Áreas de polígonos

Ubica la respuesta correcta segun corresponda.

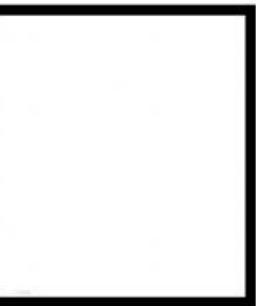

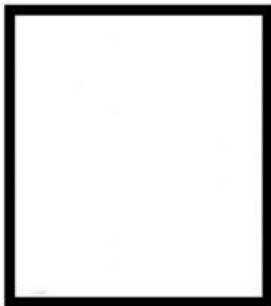

Triángulo

Cuadrado

Círculo

Rombo

Romboide

$A = (b \cdot h)/2$   
b = base  
h = altura

$A = \pi \cdot r^2$   
 $\pi = 3,14$   
r = radio

$A = L \cdot L$   
L = lado

$A = b \cdot h$   
b = base  
h = altura

$A = (D \cdot d)/2$   
D = diagonal mayor  
d = diagonal menor
