

DIVISIONS

Practiquem les divisions per una xifres:

A 10x10 grid with alternating yellow and light gray rows. The first row contains the numbers 4, 2, 8, 6, 3 in the first five columns. The sixth row contains the numbers 8, 4, 3, 7, 2, 4 in the last six columns. A blue L-shaped highlight is around the number 3 in the first row and the number 4 in the sixth row.
