

LIGUE AS FRAÇÕES CORRETAMENTE

The image shows a matching exercise. On the left, there are six circles, each divided into a different number of equal parts, with some parts shaded blue. On the right, there are six fractions in boxes. A dashed line connects the top circle (3/4 shaded) to the fraction $\frac{2}{3}$.

Circle (Shaded Parts / Total Parts)	Fraction
3 / 4	$\frac{1}{4}$
2 / 6	$\frac{2}{6}$
2 / 7	$\frac{2}{7}$
4 / 5	$\frac{4}{5}$
2 / 3	$\frac{2}{3}$
3 / 4	$\frac{3}{4}$
