- 1 Listen and read. Which musical instrument, animal and sport do Team Thistle talk about?

Team Thistle say: Hi! We're Team Thistle from Kingussie, a small town in Scotland. Our names are Alexander and Erin. Our routines are quite different. You can read about them here.

Alexander – I always help out at home in the morning. I often tidy my room, too. After school, I usually go online or play on the tablet. I love computers. I sometimes go to music club. I play the trumpet. Before I go to bed, I always look after my pet hamster, Nibbles. I give her food and I often change her water.

Erin – I always get up early. My school is far away so I catch the bus. The bus sometimes arrives late because there's a lot of traffic. After school, I usually hang out with my friends.

I sometimes go to shinty training. Shinty is a Scottish sport you play with a stick and a ball. I never play without a helmet. It's important to protect my head because it can be dangerous.

GRAMMAR CONNECT

Look at Grammar Connect (Pupil's Book page 19). Read and remember. Complete and circle.

- We use adverbs of frequency to talk about how often we do something. They are: *always*, _____ and *never*.
- Adverbs of frequency go *before* / *after* the verb.
