

Rhetorical Devices Practice : Grade 8 English

Directions: Write the correct rhetorical device in front of each definition.

Rhetorical Device	Definition
	Talking directly to the reader, often using the pronoun “you”
	A question that has such an obvious answer that it requires no reply
	A comparison between two things that are similar in some ways but are otherwise dissimilar.
	Placing two contrasting ideas or examples near each other to highlight the difference between them
