## HELPING THE ENVIRONMENT

1- Read and fill in the blanks

Recycle – Reuse - Reduce

People in Anyville want a better and cleaner city. They want to live in a nice place. Here's what they're saying.

We're planning to take the bus and ride our bikes more often. We want to \_\_\_\_\_ air pollution and traffic.

To fight air pollution, I'm planning to create more parks and plant more trees. My plan is to take down old buildings and \_\_\_\_\_ land.

We want to help \_\_\_\_\_ some of the trash. For example: plastic, glass, aluminum and paper. This way, the rivers will be cleaner.

2- Read, discuss and complete with the 3Rs words.

Recycle – Reuse - Reduce

<input type="text"/>	plastic bottles, plastic cups, plastic or cloth bags, old clothes, old furniture, broken appliances, cloth napkins, cotton diapers
<input type="text"/>	aluminum and steel cans, cardboard, glass, magazines, newspaper, paper, plastic bags, plastic bottles, yard waste
<input type="text"/>	plastic bags, paper plates, paper cups, paper mail (bills, catalogues, school reports, etc.), paper napkins, packaging
