# CLASS 2005

**Carlos contacted his old school friends through Facebook. Read the text below and find out what each person has done.**

During the last years, **Nancy** has worked for Google and studied a lot to be up to date with the latest software development. She is very successful at her professional life as well as her personal life. She is married to an important software developer but she hasn't had any children yet.

**Andy** has had several jobs in different positions. Currently, he is the manager of an important company and he has built a good reputation in the marketing field. He hasn't started his own business yet but he earns good money.

**Maritza** has been married twice, and has lived in Argentina, Brazil and Mexico. At the present, she is dating with a Literature teacher whom she met in a social network. She lives in Canada and is writing a sci-fi novel.

**David** has moved to Bollywood and has worked as a film director for two years. He has already been nominated to Bollywood Movie awards twice but he hasn't won any yet.
