- Physiocracy.
- Capitalism.

4. **Which kind of government supports the text?**

"Any man has received from Nature the right to rule over others. Freedom is a gift from heaven and every individual has the right to enjoy it. If Nature has established an authority, is the father: but even this has its limits. Any others authority comes from force and violence or the consent of the governed by a contract.

**Diderot. "Political Authority". The Encyclopedia.**
