## Internal Body Parts

We have **important** parts on the inside. Each part has a special job to do.

Label the body parts using the labels below.

**LIVER**

**LUNGS**

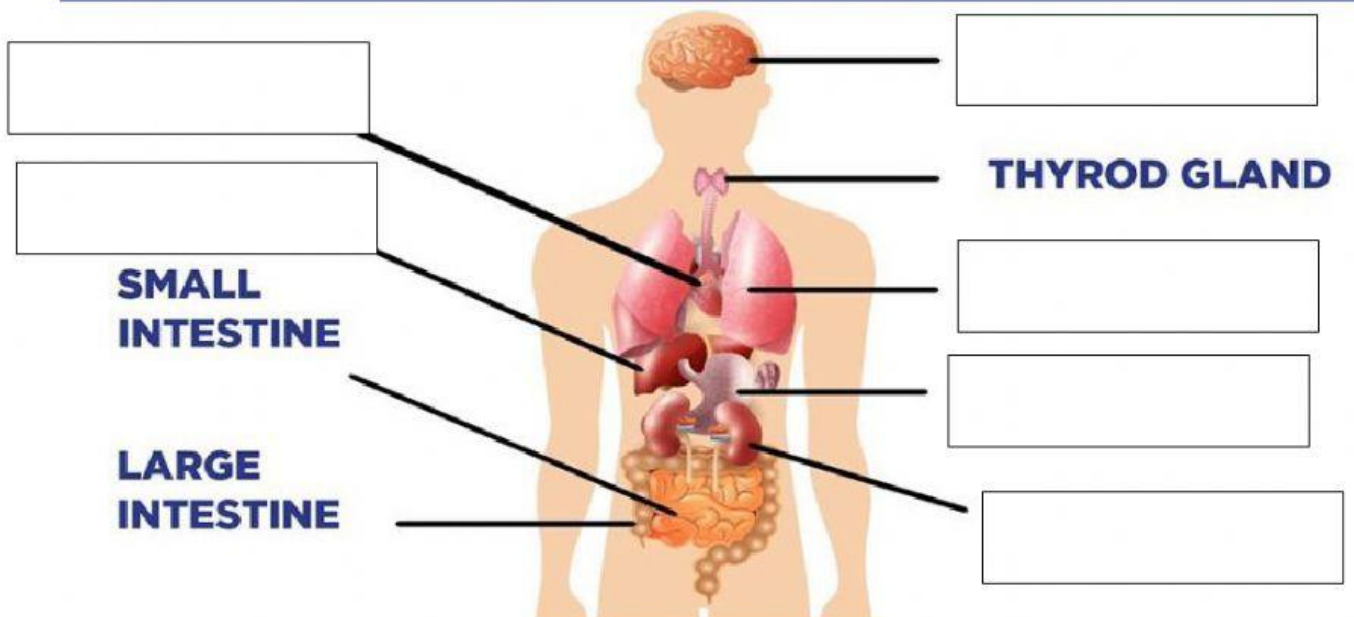

**BRAIN**

**HEART**

**KIDNEY**

**STOMACH**

### BODY ORGAN SYSTEM

Read each job. Write the internal body part that is responsible for the job.

1. I help to break down food in the body.

\_\_\_\_\_

2. I control the body. I tell what the body what it see, hear, touch, taste and smells.

\_\_\_\_\_

3. I am needed for breathing. \_\_\_\_\_

4. I help the body get rid of waste. \_\_\_\_\_

5. I help the body absorb nutrients. \_\_\_\_\_

6. I pump blood throughout the body. \_\_\_\_\_
