Conversation: Social Networking : ESL LIBRARY

(Teacher Neil *zooms* his good friend Vera)

Words: **waste of time** **status** **stay of task** **second cousin** **block**
face-to-face **posts** **keep in touch** **unfollow**

Neil: Hey you!! What's going on?

Vera: Not much, trying to _____ and not use social media so much. Facebook, Instagram, Snapchat....

Neil: (haha) I know it can be a total _____. Anyways, I have question for you.

Vera: Hmmmm OK, what is it?

Neil: Are you still *seeing* Christopher?

Vera: Oh no! I stopped *seeing* him weeks ago. Why?

Neil: Well, I saw he changed his Facebook _____. He's "in a relationship" now.

Vera: Oh really- well it's not me! I need to _____ him.

Neil: Yeah, I need to block him, too. I need to block my _____, too.

Vera: Really? Why?

Neil: She always _____ pictures of her breakfast, lunch and dinner. Ugh!

Vera: Oh that's so annoying.

Neil: I know, I *wanna* _____ with her, but I don't *wanna* see all her food.

Vera: Maybe you can just _____ her and send her a _____ here and there.

Neil: Good idea! Or maybe do more _____ time with her on Zoom.

Vera: Like we are now (haha)! We need to socialize more, and less on social media.

Neil: I agree! Ok-now go back to work now. See you this weekend!

Vera: See *ya!* And remember *don't believe everything on social media*.

Neil: Because it's not real life.
