DATE: November 3rd

LISTENING SECTION INSTRUCTIONS

This is a test of your ability to understand spoken English. The listening section has three parts. There are 50 questions. Mark all your answers on the separate answer sheet.

PART 1 In this part, you will hear short conversations. From the three answer choices, select the answer which means about the same thing as what you hear, or is true based upon what you hear.

For example, listen to the conversation:

Example (listen):

- a. They will stay home.
- b. They will go to a game.
- c. They don't like football.

The correct answer is b.

For problems 1 through 15, mark your answers on the separate answer sheet. No problems can be repeated.

PART 3

In this part, you will hear three short segments from a radio program. The program is called "Learning from the Experts." You will hear what three different radio guests have to say about three different topics. Each talk lasts about three minutes. As you listen, you may want to take some notes to help you remember information given in the talk. Write your notes, and after each talk, you will be asked some questions about what was said. From the three answer choices given, you should choose the one that best answers the question according to the information you heard. Remember, no problems can be repeated. For problems 36 through 50, mark all your answers on the separate answer sheet.

Segment 1 Mark your answers on the separate answer sheet.
