

My family and me!

I'm Anass and I'm 12 years old. I live in Morocco, in a place called El Khorbat in the mountains. It's very dry where I live. It doesn't rain very often, so we haven't got a lot of trees. It's usually hot, but in the winter it sometimes snows!

My family lives in a house in town. We have a garden with chickens and goats, and I give them food sometimes. I live with my mother and father, and I have two younger sisters. I don't have any brothers, but that's OK. I have lots of fun with my sisters!

My favourite activities are reading books and painting. My teacher at school gives us art assignments, and I like painting animals and my home and garden. My classmates and I put our paintings on the wall in class. Some paintings are very creative. I like going to school with my fellow students!
